AI Bill of Rights

A young woman with curly hair is looking down at a tablet device. The image is overlaid with a semi-transparent digital interface. On the left, there is a shield-shaped icon with a keyhole in the center, surrounded by horizontal lines of text. The background is a blurred indoor setting, possibly a library or a study area, with bookshelves and a computer monitor visible. The overall color palette is muted, with browns, greys, and soft blues.
